## Loved by generations of readers around the world

Anne Shirley has a tendency to stir up controversy wherever she goes. And her new position as principal of Summerside High School is no exception. The Pringles, the ruling family in town, want one of their own in the job, and they've made it their mission to drive Annie out.

As Anne settles into her tower room at Windy Poplars with the widows Aunt Kate and Aunt Chatty, she finds she has more allies than she knows. And letters from her dear Gilbert Blythe help her remember that with a little bit of imagination, she can triumph over anything...

Through Anne's eyes, the ordinary world becomes magical and every day is an adventure. It's no surprise she is a favorite of everyone from Mark Twain to Duchess Kate.

This new edition lovingly restores the original, unabridged text and includes an all-new, exclusive introduction with special memories from L.M. Montgomery's granddaughter.
