## **Editorial Review**

Angel Wars is a very spiritual and powerful book. This book really made me think; but more importantly, it made me feel.

Great book, with a very creative story arc. I enjoyed reading this one quite a bit and found it to be very entertaining and inspiring. If you are looking for a book that will not only make you feel, but that will also make you think, then look no further than Angel Wars. By far one of the best contemporary fiction novels to have come out in a long time. Phenomenal Book!
