One Warlock's Love Story: Knight and Dae Shad O. Walker

In a world where shape shifters are openly bisexual, vampires have insatiable sex drives, and warlocks emit pheromones that make everyone around them horny, Zander Knight is finally making sense of his new life and family.

Just when it seems like Zander's life is about to settle down, two new threats emerge. The first is in the form of FBI Agent Jonas Hunt, and the second is a pact of shifter scientists called the Dae. If that weren't enough, he and Tau are now the primary caregivers of Waverly and Quay's orphaned baby boy, and some of his closest friends are dead in the middle of working out their own love lives. This is more than just one warlock's love story – this is a supernatural adventure.
