## **The Being of the Beautiful: Plato's Theaetetus, Sophist, and Statesman** Plato

*The Being of the Beautiful* collects Plato's three dialogues, the *Theaetetus*, *Sophist*, and *Statesmen*, in which Socrates formulates his conception of philosophy while preparing for trial. Renowned classicist Seth Benardete's careful translations clearly illuminate the dramatic and philosophical unity of these dialogues and highlight Plato's subtle interplay of language and structure. Extensive notes and commentaries, furthermore, underscore the trilogy's motifs and relationships.

"The translations are masterpieces of literalness. . . . They are honest, accurate, and give the reader a wonderful sense of the Greek."—Drew A. Hyland, *Review of Metaphysics*
