**War and Peace** Lev Nikolayevich Tolstoy

War and Peace is a novel by Leo Tolstoy, first published from 1865 to 1869 in *Russkii Vestnik*, which tells the story of Russian society during the Napoleonic Era. It is usually described as one of Tolstoy's two major masterpieces (the other being *Anna Karenina*) as well as one of the world's greatest novels.

War and Peace offered a new kind of fiction, with a great many characters caught up in a plot that covered nothing less than the grand subjects indicated by the title, combined with the equally large topics of youth, marriage, age, and death. Though it is often called a novel today, it broke so many conventions of the form that it was not considered a novel in its time. Indeed, Tolstoy himself considered *Anna Karenina* (1878) to be his first attempt at a novel in the European sense.
