The Most Extreme Man-on-Man Bondage Might Be All that Saves Justin from Despair

Justin is an attractive young man, and as straight as they come. He's been dating a girl for several years and is largely living the good life. He spends his days hanging with friends, smoking pot, drinking, and having sex with Ann, whom he fell in love with even before graduating from high school.

Ann has always loved Justin for his frat boy looks. And as a 25-year-old man, she finds him the hottest stud she has ever known. He has dark hair and eyes, a muscular body, and a boyishly casual appearance. The light shadow of a beard on his face betrays that he only shaves every few days.

But eventually Ann grows weary of Justin's playboy ways, and she decides the two need a break. Devastated, Justin does the only thing he knows to do. He goes to a buddy's house for an afternoon of beer and pot.

Justin Finds Healing in the Dark World of BDSM Bondage

When he arrives at his friend's place, however, he's in for more than he could have ever imagined. He doesn't yet know that hanging out with Charles that day will forevermore alter the course of his life.

"You need to connect with a man, Justin. I know you're straight, and so am I. But sometimes two guys need to really get to know each other, push the envelope, make themselves vulnerable."

“How can two guys do that?” Justin asked.

Charles smiled wickedly. “With bondage.”

And so begins Justin’s foray into the dark world of man-on-man BDSM bondage and discipline. Charles has ordered a special piece of equipment just for hogtying guys, and that device recently arrived in the mail. Needless to say, he’s eager to try out his new toy as an attempt to cheer up his down-in-the-dumps friend.

But this will be no ordinary hogtie. This will throw out the window everything Justin ever imagined a straight man’s behavior should be, and he will start to question his own beliefs as he moves further and further into these dark and sinister games of BDSM play with another man.

Whether Charles is tormenting Justin’s body with erotic and sensual stimulation or subjecting him to the harder core aspects of discipline and domination, Justin soon finds that Charles and this bondage experiment with another hot stud might be his only hope for redemption and a happy life as he tries to move forward without his girlfriend.

Redemption, Hope, and Dark Man-on-Man BDSM Games

Will Justin learn all he needs from Charles and his naughty bondage experiment, or will the young stud find a life of loneliness that is impossible to escape? Find out in *Hogtied – Book 1 in the Male Bondage Series*.
