He was her Master... She was his slave... “Come to my study at eight o’clock sharp. Dress for dinner. Wear high heels and put on that dress – you know what I expect of you.”

When the order comes Livia is torn between anticipation and dread.

Does he know? How could he possibly know what she has done? And how can she find the words and the courage to tell him?

As eight o’clock edges ever nearer, Livia waits outside the study door, trembling; uncertain of what she will find when she comes face to face with her Master.

If he knows... *If* he does, there will be consequences. There is no doubt about that.

What will be the price for her moment of disobedience?

Warning: This book is adults only. It contains adult language, caning, face slapping and gags and is a depiction of a Master/slave relationship.
