Gary S. Karpinski

Anthology for Sight Singing (Second Edition) Gary S. Karpinski

Karpinski carefully reviewed and organized every melody in the *Anthology* to coordinate with the order in which musical materials are introduced in the *Manual*. The early chapters of the *Anthology* now feature additional simple melodies and new rhythm-only and play-and-sing exercises. The *Anthology's* online index allows instructors to search for and assign melodies based on detailed parameters, such as key, intervals, meter, and more.
