Men and their egos often sabotage relationships. From boys to grown men, lessons get lost in an erroneous reality. Tim Kelleher believes that males have been conscripted into a thought system that began in ancient times and dictates their need to be in control. However, they must discover a new method to attract love in their lives. How to Get Girls offers men a guide to transcend what was to reach what can be. This journey will show men how to accept themselves with approval and love and, in turn, find someone who will be a true partner and friend for a lifetime. Kelleher provides several examples to help men have a better understanding of why they are the way they are and how they can modify their behavior. Using his own life experiences as an example, Kelleher gives hope to men who want to be the best they can be by releasing unnecessary baggage. Light the path toward a healthy relationship and find inner peace with this indispensable guide.
