Serious about becoming a published author? Working hard, writing frequently, submitting regularly? Getting nowhere? Want to know why? It's because you're under the impression that in order to become a published novelist all you have to do is write a great book. That may have been true back in Hemingway and Faulkner's time, but certainly not today. Today the publishing industry is in a financial bind. Printing costs, cover design, advertising, shipping and even ISBN costs have all skyrocketed. So publishing houses can't afford to take chances on new authors, even if they clearly have talent. To get around this you have to present yourself as a seasoned professional. You have to show them that you know how to write in a manner that keeps people reading. And that is a learned skill. You also have to know things like the first 5 pages rule, understand what "As you know, Bob" means, have a firm grasp of grammar and spelling, understand what "Speechifying" is and how to create a title that is Google friendly. Also, that you understand the importance of marketing. That you know how to create a platform. That you know how to do an interview... Bottom line? Writing a great book is only step one. Step two, which is the most important step, is convincing an agent or publisher that you know how to write a book that people will want to read, and one that people will want to buy. **How to Write, Publish & Market Your Novel into a Best Seller** shows you **EXACTLY HOW TO DO THAT**. It shows all the tips and all the tricks the pros use to get their books past the interns and into the hands of the decision makers. So... If you're indeed serious about becoming a published author. If you are working hard, writing frequently and submitting regularly. And you truly want to get a book deal and go from being an aspiring author into a published one, then pick up a copy of **How to Write, Publish & Market Your Novel into a Best Seller** and get your writing career on the right path **TODAY!**
