He made sure to walk in front of Jane the whole way to his Aston Martin DB9.

Normally he would have opened the door for her, but not this time. No, he couldn't even glance her way. The pull was far too strong. So he simply unlocked the car and got in the driver's side.

A moment later Jane got in the passenger seat and then he sped off.

He put the radio on. Out of the corner of his eye he could see her long, bare legs. He suddenly wished the Aston Martin were something roomier. This was too close for comfort.

"Everything okay?" Jane asked.

"Of course." He smiled. "Just in the mood for a little music." He turned the stations until he found a decent song. Something by The Doors. They were telling him to "break on through, break on through." The music pulsed through the car as he hugged the road.

"I love this song," Jane said, undulating in her seat.

His dick stiffened. The way she moved was incredible. He could smell her skin, her perfume, even her sex. It was as if his senses had become magnified ten-fold since she'd gotten in the car.

"Yeah, it's an okay song." He coughed, licked his lips.

Don't look at her. Just keep your eyes glued to the road and it will be fine.

After a few minutes, she sighed. "This skirt keeps riding up on me. It's so annoying. See what I mean?"

"I'm kind of driving. I can't really look right now." His voice shook a little as he spoke.

“Well, I’ll tell you something, it’s practically turned into one of those window shades that got pulled too fast and rolled right up to the top of the window.” She giggled.

He glanced down at her skirt despite himself.

It was true. Her legs were splayed out, giving his eyes total access to pretty much everything. And the red ruffled skirt had hiked up to her hips. He could see her black lacy panties.
