The Survivor...

Though no one can command her, this warrior would try to conquer her heart...

Physically scarred in childhood by an act of betrayal, Pia has never been considered an attractive woman to other humans, but in a universe filled with aliens she's managed to blend in. One horrible mistake and she is on the run. Desperate to hide her identity, she makes a deal with Galaxy Brides - in exchange for a new face, she'll marry anyone they put in front of her. Never did she realize her future husband would be the most handsome warrior of the Draig.

The Warrior...

Though no man can thwart the brave dragon leader, a woman would be his undoing... Dragonshifter Zoran of Draig is a man who knows what he wants. Being a prince and the commander, he is called upon to make swift decisions, be ready to battle at a moment's notice, and most of all, he always expected to be in control. When his beautiful wife, the one person who should obey him unconditionally, refuses to do so, Zoran discovers the battle for his heart's desire is fiercer than any he war ever waged before. Can the conqueror become the conquered?

About the Series:

The dragonshifting princes have no problem with commitment. In one night, they will meet and choose their life mate in a simplistic ceremony involving the removing of masks and the crushing of crystals. With very few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men don't let go... Too bad nobody explained this to their brides.
