**'Aishah and the Yasiri Slanders: Defending the Innocence of the Twelve Imams** Toyib Olawuyi

Is it true that it was Umm al-Muminin 'Aishah who murdered the Messenger of Allah, peace be upon him and his family? Is it true that she indulged in adultery after the death of her blessed husband? Is it true that she was divorced, and thereby lost her title of "Umm al-Muminin" within the Ummah? There is a group which attributes itself to Imami Shi'ism, the Yasiriyyah, which makes all those three claims about her. This group also identifies the noble Imams of the Ahl al-Bayt, peace be upon them, as the sources of their various accusations against her. Our aim in this book of ours is to investigate the truth of all three claims and allegations within the confines of the Shi'i hadith corpus. In particular, we want to find out if the Yasiriyyah have truthfully linked their claims about 'Aishah with the Ahl al-Bayt, or whether they have only lied upon the Twelve Imams.
