Four Weird Western Horror Stories...from the South!

Big John is a black hat-wearing, six-shooter packing, moonshine drinking, lying son of a bitch, who resides in a cowless backwater in Mississippi.

Did I mention that Big John looks a lot like Gary Coleman?

Big John has frequent run-ins with the Devil, as you've never imagined him before, the local members of the KKK, the four horsemen of the Apocalypse, and some dead folks who just won't lay down, no matter how many bullets he pumps into them.

It's kinda like the deformed love-chillen of Bonanza, Plan 9 from Outer Space & 2000 Maniacs with John Wayne as the prime suspect in the paternity suit.

Rip-roaring, laugh-out-loud, fucked up western horror stories like you've never read before!

Approximately 9,550 words.
