Breaking Clean

Breaking Clean Judy Blunt

In this extraordinary literary debut third-generation homesteader Judy Blunt describes her hardscrabble life on the prairies of eastern Montana in prose as big and bold as the landscape.

On a ranch miles from nowhere, Judy Blunt grew up with cattle and snakes, outhouse and isolation, epic blizzards and devastating prairie fires. She also grew up with a set of rules and roles prescribed to her sex long before she was born, a chafing set of strictures she eventually had no choice but to flee, taking along three children and leaving behind a confused husband and the only life she'd ever known. Gritty, lyrical, unsentimental and wise, **Breaking Clean** is at once informed by the myths of the West and powerful enough to break them down.
