Emerging Issues and Prospects in African E-Government (Advances in Electronic Government, Digital Divide, and Regional Development) Inderjeet Singh Sodhi

Efforts have been made toward the application of electronic government in the developing world, yet questions of how to best implement governance systems and address concerns from officials and citizens alike remain to be answered.

Emerging Issues and Prospects in African E-Government explores relevant practices, trends, and potential challenges facing fledgling governments in the digital era. This book focuses on the establishment and maintenance of e-government in various African countries, providing critical insights for government bodies, policymakers, administrators, and public sector researchers working in local, state, and national governments around the world.
