Primal (Overwatch) (Volume 3) Sasha White

Adam Kessler is no one's hero. He joined the army to get away from the gang-life that had taken his brother, only to come home to heartache. He doesn't hide his dominant side, and he doesn't hesitate in his need to protect or enforce his particular brand of retribution on those who've earned it. There's no way in hell he could walk past a man hassling a woman in an empty parking lot and do nothing. Only when the confrontation is over and the voluptuous blonde turns eyes filled with desire to him, does Adam realize he's in trouble.

Psychologist Olivia Hamilton grew up with the proverbial silver spoon, and has never regretted spending more time on her career than on romance, until she meets Adam Kessler. He's dark, he's dangerous, and he's delicious... and she wants him. Passion burns quick and hot between them and soon they're caught up in an intensely carnal relationship that neither can deny. But when Olivia's life is threatened and she learns just how dangerous he can be, will it be too much for the civilized psychologist to handle, or will she truly accept the man and win her hero's heart?
