Raising Rabbits

Ann Kanable

Raising Rabbits Ann Kanable

Requiring a minimal amount of equipment, feed, and care, rabbits are ideal livestock for yielding a relatively large quantity of nutritious, savory meat.

Written by an experienced rabbit raiser, *Raising Rabbits* is a practical guide on maintaining a small herd for meat and manure. Great for beginners, this book is especially useful to those who wish to produce most or all of their own food from this valuable livestock. Ann Kanable debunks common misconceptions and instructs on comprehensive rabbit care including:

- Building inexpensive, durable housing
- Equipping the rabbitry
- Selecting proper stock for food-raising purposes
- How and what to feed your rabbits
- Maintaining rabbit health
- Handling disease with folk and veterinary medicines
- Harvesting your rabbits for food, fur, and garden fertilizer

Keeping in mind that no two herds are alike, Kanable tailors solutions to address variables such as location, weather conditions, and your herd's physical requirements. As rabbits are one of the most easily stressed livestock species, this book offers advice on treating behavioral issues and a variety of ailments.

Ideal for those considering producing their own food, *Raising Rabbits* demonstrates how to get the most out of your herd.

From reader reviews:

George Oneal:

Nowadays reading books be than want or need but also become a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one with theme for entertaining for example comic or novel. Typically the Raising Rabbits is kind of book which is giving the reader capricious experience.

Rosemarie Pickett:

Your reading sixth sense will not betray an individual, why because this Raising Rabbits e-book written by well-known writer who knows well how to make book that can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your own hunger then you still question Raising Rabbits as good book not merely by the cover but also by content. This is one e-book that can break don't judge book by its handle, so do you still needing an additional sixth sense to pick this!?! Oh come on your looking at sixth sense already told you so why you have to listening to an additional sixth sense.

Carol Williams:

Reading a book to get new life style in this yr; every people loves to read a book. When you learn a book you can get a wide range of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, and soon. The Raising Rabbits offer you a new experience in examining a book.

Kevin Adams:

A lot of people said that they feel weary when they reading a publication. They are directly felt the item when they get a half parts of the book. You can choose the book Raising Rabbits to make your own reading is interesting. Your own skill of reading skill is developing when you such as reading. Try to choose simple book to make you enjoy to learn it and mingle the impression about book and looking at especially. It is to be very first opinion for you to like to wide open a book and examine it. Beside that the reserve Raising Rabbits can be your friend when you're really feel alone and confuse with the information must you're doing of that time.
