Hannah was always raised to believe in Justice. She believed in karma, but when that belief is shattered by the death of her grandparents and her abusive boyfriend, Hannah isn't sure what to believe in anymore.

Her life will be changed forever when she visits Mystique, a club and adult store. She meets a woman named Kitten who promises to help her get free of her abusive boyfriend and when he's finally taken away by the cops Hannah knows things are going to be different.

After her boyfriend is taken to jail, Hannah starts working at Mystique where she meets a bad boy named Steven Miller. He is a multibillionaire who happens to be next in line to inherit America's largest music company.

The only catch is that he needs to be married before his father will sign the company over to him. When he sees Hannah he knows she's the perfect woman to play the part, but Hannah thinks the offer is too good to be true. **What will she choose?**
