Lucy Tucker

Sasha's List Lucy Tucker

Two women, one wishlist, seven days ...

After dumping her pleasant but unimaginative boyfriend, Sasha Field finds herself in a motel bedroom, listing her sexual fantasies for her new friend, Kelly. It starts as a joke, but then Sasha and Kelly come to a life-changing decision: Why not try out every fantasy on the wish list?

From their inept attempts at bondage to their inventive method of finding a well-hung man, it's a total riot as the two women set out to sample all of life's sexual pleasures.

Sasha's List is a fun, light-hearted romp detailing Kelly and Sasha's quest for new sexual experiences ... and their growing affection for each other.

Contains scenes with depictions of graphic sex.

Do not read if you're easily offended.

Suitable for readers 18+ only.

From reader reviews:

Maryann Carson:

Book is to be different for every single grade. Book for children right up until adult are different content. As it is known to us that book is very important normally. The book Sasha's List has been making you to know about other know-how and of course you can take more information. It is extremely advantages for you. The guide Sasha's List is not only giving you much more new information but also to get your friend when you truly feel bored. You can spend your own spend time to read your book. Try to make relationship while using book Sasha's List. You never sense lose out for everything if you read some books.

Steven Cordell:

This Sasha's List is great book for you because the content which is full of information for you who also always deal with world and possess to make decision every minute. This book reveal it information accurately using great coordinate word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having Sasha's List in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no reserve that offer you world inside ten or fifteen second right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt that will?

Sarah Petty:

Many people spending their time period by playing outside using friends, fun activity using family or just watching TV the entire day. You can have new activity to enjoy your whole day by examining a book. Ugh, ya think reading a book can actually hard because you have to accept the book everywhere? It alright you can have the e-book, getting everywhere you want in your Touch screen phone. Like Sasha's List which is keeping the e-book version. So , why not try out this book? Let's notice.

Michael Castillo:

On this era which is the greater person or who has ability to do something more are more important than other. Do you want to become among it? It is just simple strategy to have that. What you should do is just spending your time very little but quite enough to have a look at some books. One of several books in the top listing in your reading list is actually Sasha's List. This book which can be qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking way up and review this reserve you can get many advantages.
