The Brackenwood Character Sketchbook: 2002 - 2012 Adam Phillips

Brackenwood is an animated web series created by Adam Phillips. This is a collection of his rough original character sketches and creature designs spanning a decade of Brackenwood series development. It includes many steps in the evolution of these characters from the earliest ideas to some current designs. The Brackenwood Sketchbook contains very few clean or finished drawings. All are scanned originals, many from crumpled and smudged paper taken from storage especially for this compilation.
