The Soldier and the State in South America: Essays In Civil-Military Relations (Latin American Studies Series)

The Soldier and the State in South America: Essays In Civil-Military Relations (Latin American Studies Series)

After a long era of military rule, the South American nations have been working on the construction of a new democratic order. This book provides a long-term historical assessment of the main features of civil-military relations in this region, from independence in the early nineteenth century to the current process of democratic consolidation, with special attention to the cases of Argentina, Brazil, Chile, and Peru.
