Asher's Shot Elizabeth Wheeler

After uncovering the truth about his parents' divorce and his brother's death, fifteen-year-old Asher Price is ready for a shot at happiness. Armed with a Canon camera borrowed from his nutty neighbor, a date to homecoming, and revitalized relationships with family and friends, Asher's on the right track. Even though Asher's black-and-white view of the world has shifted to color, he still believes the only way to protect the people he loves is by keeping their secrets. His candid pictures capture the truth, but what if his success as a photographer requires exposing an enemy? In the end, Asher discovers protecting the people he loves can have devastating consequences, and his only shot at happiness involves revealing secrets of his own.
