Brea: Una juventud perdida (Spanish Edition) Alberto González Ortiz

Amanda desapareció el último día del campamento. Un año después, Jonás, el nuevo coordinador de las colonias, intenta hacer olvidar la tragedia. Para ello, propone a los monitores realizar antes que los niños la salida nocturna que tienen programada. No quiere dejar nada a la improvisación.

Iría Hugo, un chico pesimista, borde y medio alcohólico.

Iría Medea, una bisexual de familia acomodada.

Iría Leyre, una rockera exuberante.

Iría Helena, la monitora en prácticas: tímida, insegura y preciosa.

Iría Allan, un aspirante a bibliotecario lector de Auster.

Víctor, el único que se queda en tierra, dice en el último momento que se ha puesto malo.

Brea narra, desde el punto de vista de todos ellos, el desastre en el que pronto se convertirá la salida. Por un lado, seis adolescentes que apenas se conocen vivirán con intensidad su juventud. Por el otro, lo que al principio es un paseo sencillo por la montaña minera leonesa, pronto se convertirá en una pesadilla en la que nada tendrá sentido. Sufrirán a animales violentos, se quedarán encerrados en una cueva habitada, serán perseguidos y desaparecerán.

Brea, el alquitrán que acompañará buena parte de la novela a los protagonistas, es el tercer esfuerzo literario de Alberto González, que ya recibió alabanzas presentando por toda España *El amargo despertar*, un drama postapocalíptico, y *No serás nadie*, una distopía con sede en Madrid. En *Brea* vuelve a jugar con los lectores, esta vez apoyado en sus miedos más primarios y en el bello horror de nombre adolescencia.

RESEÑAS EN LOS MEDIOS

«La voz narrativa es poderosa. Alberto ha conseguido algo de lo que se habla mucho: originalidad». —José Carlos Somoza, sobre *El amargo despertar*.

«Impresionante la capacidad de Alberto González para representar las distintas fases que podemos encontrar ante el descubrimiento de una mala noticia: estupor, ansiedad, miedo, tristeza extrema, agresividad...». —Francisco Javier Illescas, www.fantasymundo.com, sobre *El amargo despertar*.

«Es notabilísimo como este joven escritor nos deleita jugando con las estructuras narrativas y con el tiempo de la acción, de una manera que sólo he visto en la obra *La guerra del tiempo*, de Alejo Carpentier. ¡Y sólo es su segunda obra!» —Francisco Javier Illescas, www.fantasymundo.com, sobre *No serás nadie*.
