It's Cath's first day at the new job, and she's a bit overwhelmed. Her new colleague, John, is able to set her pulse racing just with his presence, making their training sessions awkward to say the least. Meanwhile their sleazy boss, Richard, seems unable to grasp that she's not into him.

John is used to being ignored, or worse, by the opposite sex. When new girl, Cath, tries to get his attention, he reacts in the only way he knows how: with suspicion.

Can she convince him he truly is the man of her dreams?

In this *sweet*, *feel-good Love Story*, you'll follow two flawed people attempting to come together in an imperfect world. If you want cliché, porn-style sex, look elsewhere. Instead you'll get realism, awkwardness and insecurity, leading up to a *heart-felt*, *steamy romance* which dreams are made of.

Due to the intimate nature of some of the scenes, this book is intended for adult audiences only.

Please note this novel has previously been published as a serial of four separate parts.
