## **Learn to Play 5-String Bass** Mike Hiland

The five-string bass is growing rapidly in popularity due to its expanded tonal range plus the added versatility and creativity it offers. Mike Hiland is an accomplished bassist and writer. Building on the player's knowledge of four-string bass, this easy-to-understand, nuts-and-bolts method in notation and tablature gives the player the tools to tackle the extra low end (low B string). It presents what the bass student both wants and needs to know including finger exercises, scales, arpeggios, slapping, and tricks to help you around the 5-string! A companion online recording is available which demonstrates each of the scales and exercises at full tempo with a drum machine.
