Lovemaster'd: A Digital Journey to Ultimate Love and Happiness Craig Shoemaker

Seven years after his own first marriage has ended bitterly, happily remarried comedian Craig Shoemaker gets a Facebook message from Leah, a casual acquaintance, in which she tells him that her marriage of thirty years is ending. Something in Leah's deeply sorrowful message strikes a chord in Craig and he writes her back and offers to share some of his own hard-won wisdom on how to handle the dissolution of a marriage. But Craig's troubles with his ex-wife are far from over and he comes to need Leah's insights and support as much as she needs his. What evolves is a unique spiritual journey and an extraordinary friendship, conducted entirely through Facebook private-messaging. Through their correspondence, Leah and Craig struggle together through life's storms and eventually triumph over them, transcending into fully realized lives enriched by mindfulness, acceptance, and grace. Oftentimes painful, frequently funny, and always emotionally riveting, Lovemaster'd is a page-turner that imparts priceless lessons on spiritual awakening, in dramatic, can't-put-it-down style.
