## **Orange County (Then and Now)** Chris Epting

Orange County was created in 1889. Soon, wilderness evolved into farmlands and communities supported by a year-round harvest of Valencia oranges, lemons, avocados, walnuts, and more. In the 1950s, aerospace and industry expanded here, and today the county boasts more than three million people. This collection features side-by-side historic comparisons of many local institutions, from orange groves to beaches to Disneyland.
