Reasonable Doubt Carsen Taite

After a tumultuous career as a criminal defense attorney, Ellery Durand enjoys life without tales of drugs, death, and double-crossing. Until she wakes up one morning to find her bank accounts frozen, her face on the front page, and the peace she's come to treasure shattered in the wake of an FBI investigation. Can she convince the agent in charge to trust her? Can she trust the feelings that grow between them?

After years investigating heinous crimes, FBI Behavioral Analyst Sarah Flores welcomes a transfer to white-collar crime and the chance to have a life of her own. Her relief is short-lived when her first case involves a terrorist plot, and all signs indicate the terrorists' attorney constructed the framework of their evil conspiracy. Attracted to Ellery from the start, can she trust her instincts to lead her to the truth or will their attraction cast doubt on everything she holds dear?
