The Cyn & Raphael Novellas: Betrayed, Hunted, & Unforgiven (Vampires in America) D. B. Reynolds
From *Vampires in America* . . .

For the first time together in one collection . . .

BETRAYED, HUNTED, and UNFORGIVEN, The Cyn & Raphael Novellas

These novellas can stand alone or be enjoyed as part of the series.

BETRAYED: Vampires in America 5.5

Love. Loyalty. Betrayal.

Love . . . the ache in your heart when you meet The One. It can take you to soaring heights; it can leave you bleeding in the wreckage.

Loyalty . . . the thing which binds a Vampire Lord to his children for eternity . . . unless it spoils from within, birthing hatred.

Betrayal . . . it comes in many forms and from many sources.

War has come to the North American vampires, and Vampire Lords are reaching across territorial lines to strengthen allies and weaken enemies. The most powerful Lord of them all, Raphael, could change the course of the war and determine who raises the final banner of victory. But at what price? And will his mate, Cyn, be the one to pay it?

HUNTED: Vampires in America 6.5

POWER, it comes down to this . . . those who have it, those who want it.

REVENGE, the need for it is a fire in the soul, a goad for the unwise.

HUNTED, the fate of the foolish when they think to become the hunter.

Power . . . Revenge . . . Hunted. The Lord of the Midwest is dead, and the powerful vampires of North America are gathering to choose his successor.

The Vampire Council will be there to oversee the competition—each of them focused on keeping the violence to a bloody minimum, including Raphael, who will do whatever it takes to ensure the victor is a vampire he can trust.

But someone is hunting, determined to stop Raphael and his mate, Cyn, from ever reaching Chicago.

Soon, the hunter may become . . . the hunted.

UNFORGIVEN: Vampires in America 7.5

ALLEGIANCE . . . the ties that bind. Friendship, duty, blood.

TREACHERY . . . when friendship is abused, duty turns to burden, and blood is not enough.

UNFORGIVEN . . . because there are some things that can never be forgotten.

Allegiance . . . Treachery . . . Unforgiven.

War is imminent, and a spy has infiltrated Raphael's estate. But his target is not Raphael; it's his sister, Alexandra, whose earlier duplicity nearly cost Cyn her life. Raphael and Cyn are determined to play the spy's game, traveling to Mexico to discover who their enemy is and just how far he'll go to win. But once Raphael finds his sister, can he take the chance that she won't betray him again?
