The Pantry

Its History and Modern Uses

Catherine Seiberling Pond

Photographs by Steve Gross and Sue Daley

The Pantry ponders the history, return and rebirth of the kitchen pantry. With a nod toward the philosophy "a place for everything and everything in its place," author and historian Catherine Seiberling Pond delves into the past, present, and future possibilities of this important room, and finds ways to incorporate a pantry into any home.

Topics include:

Food storage solutions

What to put in your pantry

How to choose the right materials

Design and layout of the pantry

Display and décor tips

How to display dishes and collections

Pantries are one of the most requested features being built into today's homes.
