## You Look Like Something Blooming: A Memoir of Divination Seeds to Cultivate Your Feminine Garden Temple (Volume 2) India Ame'ye

"I love the way you write, India....Your words are sweet and honest. You do not attempt to coerce or seduce. You do not solicit a contract with misery but instead with power, purpose and love. Thank you." -S. Chatman

\_\_\_\_\_ A lovingly mystical and refreshingly radical literary spellbook that charms, heals, glows, amplifies, and supports healing, self-care, body transformations, and the divine feminine within us all. Part warm and witchy, part how-to grow more ass (rootworkers) and activate breast tissues (caretakers), part learning to embody love as abundance, part natural healing of fibroids and heavy, painful moon times, part conjuring and sensual narratives, part flowers, herbal teas, and fairies, part full body orgasms and orgasmic living brilliancy, part prose and word/sound/power. Part dreamy and celestial, practical and purposeful, transformative and paradigm shifting. Part djembe and an acoustic guitar. Part ancient (Africa) and recent (Georgia/South Carolina/California). Many parts of the highest-vibrational whole of existence, the womb and its mysteries, nourishment, and total and complete darkness!! ----- I am a highly feminine woman unfixed in my femininity. Bending. Weaving. Waddling. Diving. Leaping. Spreading. Spraying. Dripping with femininity. Courageously shapeshifting into a serpent, a pharaoh, a Goddess of Love, a warm and transformative ocean, a fairy (with wings), passionfruit or liliquoi, Oshun's daughter, a 7 year old mathematician, a wood nymph, a deer, an altar, an elder person, a mother, a jackhammer, a herbalist, glitter and starlight. Ageless, timeless, spaceless, formless embodiments of royal movement. Sometimes it's growing my ass, thickening my fingers, or rounding out my face (heightening my youth) to get the medicine inside. Because anything stagnant dies." \_\_\_\_\_ "She spends whole days in uncontrollable ecstasy. And no one is there but her and her higher self. Alone time feels good going inside."

\_\_\_\_\_ In 2003, triple-Bachelor degreed, India Ame'ye resigned from her Sr. Accountant position in Corporate America in pursuit of passion, love (learning and embodying love), aliveness, and a big ol' adventure. There was also the wonder and magic of pain, grief, sadness, depression, and tiny steps into learning how to return ALL experiences back into love.... and most importantly, allowing the experiences to resonate as love in the body. "You Look Like Something Blooming" is a charming yet raw encounter with spirit, adventure, love, intimacy and sex, pleasure, nature, and so much more. Described as refreshingly radical, authentic, healing, opening, while being a bit dreamy, tender, faraway, lulling, ancient yet familiar. Occasionally quite funny alongside some brand of thrilling, womanly wildness. Chockfull of intimate and feminine arts in deeply honest ways, you are sure to transform in thought, action, pleasure, and/or adventure. There are also the more practical and serious bits as well as life is like that sometimes, where you have to hold the mirror up and say 'I am ready to stop hurting my organs!' It's steaming cauldron full of magical secrets and healthy living (blooming) tips, bit of this and whole lot of that! From skin to body sculpting tips to ways to come alive in your body and life, how one falls out of love and rises as love, the seed and harvest of her own love story. "You Look Like Something Blooming" is seriously 5 books in 1.
