## She Didn't Know It Was A Munch...

Reeling from the pain of a bad breakup, Abbie Templeton decided to seize her life back by doing something spontaneous... joining a speed dating meet-up at a local cafe. She wanted to meet new people, hoping that one of them would be Mr. Right.

And she did find him.

Leo Korrigan - handsome, well-built, intelligent, kindhearted and caring - was one of the participants. Abbie immediately found a connection with him, one that promised romance and a wonderful chance at love. She knew these in her heart, and she couldn't wait to start exploring the exciting possibilities that lied ahead.

What she didn't know, however, was that the assembly she attended wasn't a speed dating event. It was a *munch*.

What happens next is a story of hearts bound by fate but estranged by preferences, where lifelong beliefs will be **stripped** from the core of their beings, where their innermost feelings will be revealed and their souls will be left vulnerable and **unprotected**, where **diapers** and **pacifiers** and **warm baths** will measure the extents of his affection and the strength of her conviction, and where she will learn if she can be a *little girl* to a *daddy* who is pining for her **complete submission**.

**WARNING:** This book is strictly for 18+ readers only. The contents include graphic descriptions of sexual acts, controversial subject matters, and compromising adult situations. Reader discretion is strongly advised.
