GTO 2011

The birth of the muscle car revolution can be summed up in three simple letters: G-T-O. The release of Pontiac's GTO rocked the performance car world in 1964. *GTO 2011* features the most powerful, popular, and collectible cars from the 1960s, the 1970s, and the twenty-first century. Each car is beautifully presented in vivid color photography by John Jackson. Captions provide production histories and performance specs for each car and provide valuable insight into the muscle car that started it all: GTO!
