The Reconciliation of Christ and Nietzsche Dr. Charles T. Rowe

The Reconciliation of Christ and Nietzsche organizes philosophy into a structure based on function. It builds on the objective foundation that the most important human function is to perpetuate the species. Author Charles Rowe shows that even though everyone has two basic goals in life - to achieve personal happiness and self - fulfillment and to ensure that humanity, as a whole, is able to perpetuate the human species - the second goal always takes priority over the first.
