The Ultimate Baby Name Book Andrea Ludwig

So why is this book The Ultimate? Because it makes finding that perfect name simple, efficient, and fun! The Ultimate Baby Name Book is a compilation of the very best (in my humble opinion), most intriguing, interesting, and amazing baby names you will find. First is a list of 500 names for girls, with their origins and meanings. Then is a list of 500 names for boys, all alphabetically organized for your convenience. (The few names with no origin or meaning listed are fictional/made-up.) Lists with thousands of names to pour over are overwhelming and inefficient. This book was designed to provide you with an enjoyable time of finding your favorite names quickly and easily. In addition to the usual, familiar names, there is also a plethora of more unique names which may just inspire you to create a new baby name all your own. Enjoy!
