A Ruined Wife - The seductions, submissions, and sexual encounters of ordinary housewives. Andrea's Story, Part I: Reluctant Tramp. The stories speak almost exclusively of the sexual encounters of ordinary housewives and mothers, women I would consider to be genuine ladies. These are the women who are your next-door neighbor, the gorgeous wife you see at the PTO meeting, that tremendously hot girl you see at the office every day. The places in these stories are everywhere, from their homes to their offices and everywhere in between. Be warned! The tales of these married women are not for the lighthearted. Unlike most books in this genre, these books are not romance novels and they are not stories of lovemaking. They are likewise not a collection of short stories that you have to read 10 pages to get to what you want, just to find that it's little or nothing. These are hard core, very explicit stories that get right to the point in great detail. They are XXX, no question about it. The wives present in graphic detail and usually from their perspective the circumstances that led to their seduction . . . blow by blow, so to speak. It's mainstream encounters, from the single seduction -- often forced for the first time -- to threesomes and even the occasional gang action. Their partners are white, black, and everyone else. But there are no water sports, no bondage, no whips and chains, no beating of people, no animals, no children, no incest, and no weird sexual acts. If you need any of that sort of thing, then you will need to go elsewhere. You should also avoid these books if you are easily offended by filthy, sordid talk, because that is the essence of the seductions. So be careful! These books are so hot you'll burn yourself. This is the first book in Andrea's series. The book is so long that it had to be split into three parts. Part two is Seduced Tramp, and part three is Husband's Tramp. So, if you want to hear the details of the seductions of this beautiful housewife and the endless sex she has come to need -- how she has become ruined to the ordinary drudgery of married life -- then read on. You will not be disappointed with her tale!
