Book Description The most authoritative college textbook available on human sexuality, this new edition of Crooks and Baur's OUR SEXUALITY has been thoroughly and carefully updated to reflect the most current research literature. Sensitive, comprehensive, and candid scholars and teachers, the authors continue to engage students with the most exciting, emerging research in the field. The authors have further refined their focus on strengthening healthy communication among partners, as well as their overall coverage on maintaining a responsible and healthy sexual relationship. They have also given even greater attention to diversity and inclusiveness. The result is a timely new edition that retains and builds upon all of the strengths that have made it the best-selling book in the market. This book does not include a Cd.
