Rational Conclusions James D. Agresti

Rational Conclusions draws upon the study of numerous academic disciplines - ranging from history, archaeology, and physics to genetics, microbiology, and more - to compellingly and meticulously demonstrate the truthfulness of the Bible.

Although academic in nature, *Rational Conclusions* can be readily understood by readers with diverse levels of education. Audiences from high school students to postgraduate scholars will find this book stimulating, informative, and perhaps surprising as hundreds of academic source materials reveal strong evidence for the Bible's reliability.
