This book teaches principles through which any man can transmute his sexual energy to something more productive than just the pleasures gotten from sex. Sexual Energy Transmutation is just what it implies; the transmutation of sexual energy. Transmutation means transformation; so sexual transmutation means the transformation of sexual energy into some other form of energy.

This book does not try to get you to give up sex totally; It just to makes you see the benefits of giving up sex for a little while, while you allow that energy build, and then transform it into something more productive for you in the long run. The benefits are enormous, and you cannot understand this until you perform this sexual energy transmutation yourself and experience the results.
