Three hot, historical stories of sexy, red-blooded Scotsmen!

1. DISCIPLINED BY THE LAIRD

Spoiled, sexy, nineteen year-old Frances McDaid has everything she could dream for, except good manners. On the morning of her birthday she discovers her father has married her to the cruel Laird of Lochaber, without her consent.

After a humiliating encounter with the Laird, she knows she can never love him.

Soon though, his unique methods, perverse instruments and firm hand will have Frances begging for more. Soon, she'll be stretching to accommodate his wishes, hard and without protection.

2. RAVISHED AT THE MASQUERADE

When shy eighteen-year-old Scottish lassie Mairi is told by her mother that she is not allowed to attend the dance held by the handsome, rich Laird of Dalkeith, Mairi is bitterly disappointed.

She hatches a secret plan to attend the dance in a masked disguise, but her disguise turns out to be way raunchier than she'd at first imagined! In fact, it has a powerful effect on one sexy mystery gentleman at the dance. In fact, he likes her costume so much, that he decides he must ravish her, in a hidden spot at the back of the dance floor.

Here, the dominant and demanding gentleman lifts his kilt and makes Mairi his, ravishing her hard and without protection. Finally, when the gentleman unveils his true identity, Mairi is shocked and aroused in equal measure. And she's definitely not shy any more.

3. TAKEN BY THE LAIRD

When eighteen-year-old Scottish lassie, Skye, is told that she is no longer allowed to work as a servant girl at the Glasgow tea rooms, she fears for the worst.

She is dressed up by her mistress in a provocative little outfit, and made to parade in front of the stern and wealthy Laird of Mull, while he decides which of the girls in front of him he will take back to his castle and become his possession.

When the Laird discovers how brazen Skye can be, however, he decides he must take her back to his castle to teach her a lesson by candlelight. Under his firm and guiding hand, Skye learns more than she ever thought possible, and even the Laird is left satisfied.

This box set contains three stories, all of which delve into **an erotic exploration of pleasure and pain in the perverse world of nineteenth-century Scottish sexuality.**
