The Finance Gym Action Plan for a Better Life with Money: Don't just know better. Do better. Stacey Powell

A visual money book that inspires people to not just learn, but jump in and take action with their money, even people who don't want to spend a Saturday reading a money book.

If you've struggled with living paycheck to paycheck, getting out of debt, or just simply know you could do better with your money if you stepped up your game a bit, then this book is for you.

If you feel alone, be assured that you aren't. Millions of others, just like you, are walking around every day with that nagging little voice that whispers "you could be better with your money" or a not-so-nice and not-so-little voice that shouts "are you ever going to get your money \$%*@ together?!" For me, those voices came like the peaks and valleys of a rollercoaster that wouldn't slow to a stop.

Are you ready for your little voice to whisper "you're good with your money" and "look at those bank balances!" and "wow, you handled that like a champ"? You can make that happen.

In *The Finance Gym Action Plan for a Better Life with Money*, you'll find:

- compelling and motivating stories,
- visual exercises to see your money from a new angle,
