One reason why I wrote this book is my wife loves all things Titanic, along with millions of other people. I did not want to write another very fact based non – fiction book. I wanted what my imagination wanted. So here you have my book; “Titanic Uncovered.” In my book, Captain Smith has what he felt was a very good reason why he wanted to disable Titanic but never to sink Titanic and, yes, Jack the Ripper was on the Titanic, along with bank robbers and millions of dollars. A wife, who wants to do her rich husband in, but does not know how, that is until the Titanic hits the iceberg. A very old, and broke magician who is looking for one last great trick. Two very good Scotland Yard detectives, and a Pinkerton detective right out of the American Wild West, who discover a cover up which leads all the way up to King George V, and why this information has come to light now.
