**Jackson has become exactly the type of man I came to New York City in search of. Urbane, refined, successful...But still, I would quickly trade in this cold, distant stranger in front of me for the warm, caring Texan I fell in love with.**

Some mistakes, you can't unmake. Hailey had to learn that the hard way. She and Jackson moved way too fast and now, she's found herself in a situation she sees no way out of.

Now, her only option is to rely on the man that she loves desperately though she's not sure that she can trust him.

Will Jackson prove himself to be the knight-in-shining armor that Hailey needs? Or will she wind up on her own to deal with the consequences of the decisions they made in their moment of fierce passion?

This is part three of a **STEAMY** three-part series. The entire series is now available for sale and borrow on Amazon.
