Christmas on the Silver Horn Ranch (Men of the West) Stella Bagwell

MERRY CHRISTMAS, COWBOY!

You can put him in a cast, but you can't keep Bowie Calhoun down. Broken ankle or no, the flirty cowboy has no intention of spending Christmas lying in bed—unless he has company.

The serious-minded nurse who is hired to tend his wounds isn't biting. Ava Archer is a widow; she lost her husband to war. She'd never consider falling for a patient, especially not a "wild child" like Bowie, who battles fires for a living and takes risks just for fun. But the longer Ava stays on at the Silver Horn Ranch, the harder it is to fight Bowie's magnetism. 'Tis the season to be tempted. Is Ava ready to take a risk of her own...on love?
