## **Evolution or Revolution** Lena Winfrey Seder

A humorous science fiction short story that explores a mad scientist trying to save humanity by developing a formula and a machine that will allow him to unite the brain hemispheres to bring about a logical world that will unite humans. However, not everything goes as planned while we watch him analyzing the test subjects in virtual rooms. And each brain hemisphere is male and female, and we hear them conversing. The results of this experiment will be surprising as the reader has some laughs along the way. Which will win out, evolution or revolution?
