"My Real-World Guide for Eosinophilic Esophagitis" is a self-help guide for anyone who has this disease, or anyone who has a loved one affected by this disease. This book is not only for teens struggling to live with this disease on a daily basis, but this book reaches out to the parents, grandparents, and friends who have a child or someone close to them that is conflicted with Eosinophilic Esophagitis (EoE). Within the pages of this book, you'll get an inside look into the daily life of someone who struggles to eat food. It's the real deal; all of the thoughts, feelings, and emotions that go on behind the scene. You'll find tips and tricks to help get through rough situations, little pieces of encouragement to make the dark days brighter, and real-life, relatable stories. Hopefully this book will let some people peek into the world of EoE and will let others know that they aren't alone in this disease.
