No amount of the hard, sweating work you do on the ranch - if you continue to make poor decisions - can bring you to the reality of successful ranching. Holmes has found that to be really successful, the critical factors are your decision making and planning abilities. Learn how to plan and make good decisions from Holmes, a cattleman who had struggled for decades to find this golden nugget. You too can feed more people than other ranchers, have grasslands that are more productive and useful than they previously were, and enjoy raising a family without spending all your time working. Ranching Full-Time on Three Hours a Day can show you how to have a life and be successful at ranching too.
