**Shakespeare's Romeo and Juliet** Michael Rosen

**The bard's quintessential love story — retold in an elegantly illustrated volume that will appeal both to aficionados of Shakespeare's play and to readers discovering it for the first time.**

The story has been told "many times by many different people in many different languages," notes Michael Rosen. Now the acclaimed author of *SHAKESPEARE: HIS WORK AND HIS WORLD* presents the Bard's best-loved play — perhaps of all time — in a beautiful picture book for children. Michael Rosen retells *ROMEO AND JULIET* scene by scene in a simple, lively style that incorporates the most celebrated passages in their original form, while a border on each spread offers act and scene references and a glossary of difficult words. Exquisite illustrations by Jane Ray complete the production, making this an edition to enthrall the eye as well as the ear.
