The Resurrection of Authentic Manhood: Restoring God's Original Design George Sawyer

The Resurrection of Authentic Manhood is a clear call to men to step out of the grave of dead manhood and walk into the lives God intends for them to live. It is an invitation for men to join the revolution of resurrected manhood. Based on the Bible story of the miraculous resurrection of Lazarus, Sawyer wants men to understand that God is not willing to simply stand by and mourn the death of genuine manhood—He plans to resurrect it! It is not just another book grasping for the attention of distracted and disinterested men. It is a rumble of resurrection hope from the epicenter of manhood's demise.
